

## Subaru Engine Adhesive Alternatives for 1995-2017 Subaru Engines

The AERA Technical Committee offers the following information on engine adhesive alternatives for 1995-2017 Subaru automotive engines. This information should be considered anytime a Subaru engine is being assembled.

Service information often lists a sealant to use while assembling an engine. Subaru has contracted ThreeBond for their sealers which may or may not be readily available. The following information is offered to use if either the Subaru or ThreeBond product is unavailable.
